Daily Procedures and Policies

Attendance:

Daily attendance is taken when the campers arrive. Since the group will be going to many different places, it is important that teens show up ON TIME. The bus WILL NOT WAIT for late campers.

Illness:

If your child is not going to camp, please call the Bedford Recreation and Parks Department between 8:30 – 9:00am at 666-7004.

Rainy Days:

In the event of inclement weather/rain, a rainy day schedule will be implemented, i.e. bowling, movies, etc. Please be advised that trips that are cancelled due to bad weather may not always be able to be re-scheduled. Also, please note: trips that are cancelled due to inclement weather that were scheduled for a late pick-up (after 3:00) will be picked up at 3:00.

Lunch:

There are trips that require campers to bring a lunch. Campers who will be bringing lunch on the trips are asked to bring nonperishable foods only. **NO GLASS CONTAINERS ON THE BUS.** Please look on the trip itinerary where lunch plans are indicated.

Spending Money:

During some of the camp trips, there may be opportunities for shopping and eating during the course of the day. Any lunch or spending money is the responsibility of each camper.

Camp Shirts:

CAMPSHIRTS MUST BE WORN DAILY. Your child will NOT go on any trip without their camp T-shirt. This helps identify your child at the various trip facilities. This is also a New York State and Westchester County Health Department regulation. Each camper will receive two (2) shirts on the first day of camp. Additional shirts can be purchased for \$5.00 on the fourth day of camp.

Behavior:

Teen Get-A-Way is designed for mature responsible youth. We have a zero-tolerance policy. If your child is verbally or physically abusive to any of the staff, peers or other patrons, they will be dismissed from the camp without a refund. It is important for each camper to realize that his or her behavior not only reflects on that individual, but also projects an impression of the group and the Town of Bedford.

PARENTS AND CAMPER MUST SIGN A BEHAVIOR AGREEMENT

Late Parents:

Parents are expected to be at the pick up area promptly at dismissal time. If a parent will be late, he/she must have someone at the pick up site to pick up the children, and must call and notify the camp director or Recreation office. We realize there are sometimes unforeseen circumstances; however, repeated lateness will not be tolerated.

Clothing/Sunscreen

Campers should come to camp as comfortable as possible. Shorts, shirt, and sneakers should be worn. Sandals are NOT recommended. Please label your campers clothing. We suggest applying sunscreen in the morning and send sunscreen with them to camp.

Personal Belongings

We ask that parents do not allow their children to bring their own personal belongings to camp (i.e. iPods, cell phones, electronic games, etc). We cannot and will not be responsible for their safekeeping.

Swim Test

All campers participating in the program are required to have a swim test. The test will be held on the first day of camp at the Bedford Hills Memorial Pool.

Notes from Home

For the safety of your camper, written parental permission (note) must be sent for the following:

- If your camper is to leave camp with a friend, neighbor, relative, or someone other than his or her usual ride. If your child's counselor does not receive a note, your child will not be released.

- If your camper is to be released on their own to walk home. Please indicate that you give permission for your child to walk home once we have arrived back to the Bedford Hills Community House.
- For car pools or arrangements that will last for the whole summer, one note specifying days and person picking up/ dropping off your camper will be kept on file for the summer. Please note that we will need written permission for everyone in the car pool.

Medical Forms

If your child is required to take any type of medication during camp hours, a Medical Authorization Form **MUST** be filled out by the parent and physician, and handed in with the medication the first day your child attends camp. Medication will be kept with the Camp Director or EMT. Our staff will oversee and supervise the child in self-administering their own medication. By law, camp personnel cannot dispense internal medication to the child unless they are a NYS licensed physician, nurse practitioner, physician assistant or registered nurse.

Written permission can be given by both the physician and parent to allow the camper to carry medication that is needed for emergency purposes (i.e.; epi pen; asthma inhaler).

All medication must be in their original container and labeled correctly.

First Aid

In the event that your child becomes ill or injured during the camp day they will be escorted to the site's First Aid office and cared for by one of their trained staff or by our camp EMT. If the situation warrants, the camp staff will contact you. Depending on the severity of the injury the child will either stay at camp, be picked up, or if needed the Police and ambulance will be called to assist with medical issues.

Allergies

The Town of Bedford cannot guarantee an absolute allergen-free environment. However, it is the goal of this policy to create a peanut/nut awareness camp. We ask for your cooperation in working towards this goal.

It is important that children with risk of anaphylaxis or an anaphylactic reaction to any substance (food, insect bites, drugs etc.) be identified. We encourage families of campers with life threatening or a serious food allergy to meet with directors during the start of camp.

We have the following guidelines in effect:

- If your child eats peanut products for breakfast we would greatly appreciate you making them wash their hands with soap and water before leaving for camp.
- Camp will provide a separate lunch area at the parents request,

Throughout the course of the summer if you have any questions or concerns about food allergy related issues, please do not hesitate to ask the staff.

We wish you the very best for a safe, healthy and enjoyable experience with our Camp program. Please feel free to share feedback or concerns at any time. Please don't wait for the end of the season to inform me of something that can be rectified now. Be assured that we recognize that there are sometimes issues between children, which are delicate, and require attentive tact. We are dedicated to making camp enjoyable for EVERY child, and will be happy to listen to your concerns. Have a wonderful summer!
